Set off to discover
Nantes!

Your guide

My name is Margaux and I have been living in Nantes for about ten years. Professional guide since 2016, I am committed to offering accessible, fun, and gourmet guided tours to share my passion for heritage and history.

Nantes to savor

Nantes, from the 18th century to the Belle Époque - 2h00

Cross thru the 17th and 19th centuries, discover the major transformations of the Fosse district into a bourgeois and commercial area, and end with a sweet break at La Cigale in the company of your guide.

Balade apéritif - 2h00

Explore Nantes differently with a 1.5-hour guided tour in the Fosse district, the cradle of commerce and exchanges that have shaped the local gastronomy. End this experience with a tasting of regional wines at one of our partner locations and discover the flavors of the Loire Valley vineyards.

Nantes classical

First steps in Nantes - 2h30

First time discovering or looking to rediscover the city? This 2.5-hour tour takes you thru the major sites of Nantes, from the cathedral to Île de Nantes, passing by the castle and the Graslin district.

Historic Center of Nantes - 2h00

Set off on a classic tour, the must-see historic center of Nantes. From the cathedral to Place Graslin, explore the most iconic places in the city in 2 hours.

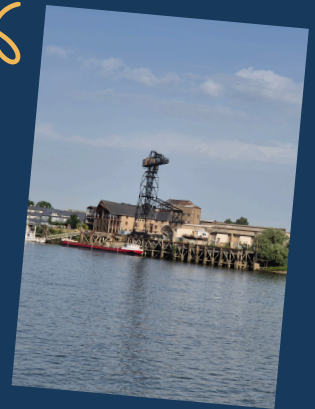

Medieval Nantes - 2h00

What remains of medieval Nantes? Few traces remain in the current city, but this visit invites you to rediscover them step by step. From the castle of the Dukes of Brittany to the cathedral, passing by the still-visible fragments of the ramparts, rediscover a city that has profoundly changed since the Middle Ages.

From the Island of Nantes to Chantenay - 2h30

Set off to discover the transformations of Île de Nantes and Chantenay, two neighborhoods marked by a rich industrial past. After crossing the Loire on the Navibus, enjoy a break with a drink at one of our partner locations before continuing the tour thru these rapidly changing areas.

Nantes tailored to you

Do you have a specific idea in mind? Do you want to combine several visits, create one from scratch? It's possible!

The content, the duration, the tasting options... Everything is customizable to your taste!
